

**CITY YEAR SAN
ANTONIO**

students first. collaboration always.

May 10th, 2023

Deloitte
14100 San Pedro Ave Ste 700
San Antonio, TX 78232

Hello,

Thank you for your investment in City Year San Antonio in the amount of **\$5000** as a **Ripples of Hope: Five Years Forward Silver Sponsor**. Our records indicate payment was received on **Monday, April 3rd, 2023 (PMT-272501)**. Our headquarters office, located in Boston, will send you a note as the official tax acknowledgment letter, but we wanted to thank you for your generous gift that has already had a significant impact on our efforts to advance educational equity. This school year, 45 AmeriCorps members from across the country have been recruited and trained to serve within our eight San Antonio Independent School District (SAISD) partner schools. Your investment is directly impacting students every day.

Our theme this year "Five Years Forward" is directly in support of our Five-Year Pandemic Recovery Plan. The Plan acknowledges the long-term effects of the COVID-19 pandemic and provides an outline of key strategies to get our students back on track. Our Top Five Priority Initiatives represent our commitment to our double bottom line. **The double bottom line refers to our two most important focus areas: improving outcomes for students in the schools we serve and the personal and professional development of our AmeriCorps members.** We recognize the importance of developing leaders from elementary school to college and beyond. Achieving the goals outlined in our Plan will send ripples that extend beyond the five years of our plan. You can read more about the [Plan here](#).

Your impact is immeasurable. Your support allows our **AmeriCorps members** to give **nearly 30,000 hours** of targeted math and literacy interventions and **4,900 hours** of targeted attendance and behavior interventions this academic year. As we continue to take a proactive approach to recover from the long-term effects the COVID-19 pandemic has had on learning and achievement for the students we serve, we are grateful for the support of our community. Thank you for your belief in the power of the red jacket.

Yours In Service,

Jim Barshop
